HAN UNIVERSITY
OF APPLIED SCIENCES

ABOUT THE SUMMER SCHOOL

Broaden your horizon with a summer course in an inspiring international environment!

HAN University of Applied Sciences offers one-week summer courses in the fields of health, social studies, sports and education. Join us for 3 weeks of hands-on learning and fun. Each course is worth 2 ECTS credits and includes a field trip.

The courses in this Summer School are open to all undergraduate students from our partner universities. You don't necessarily have to be studying in the field of health, social studies, sports or education to join us. In fact, that is what makes this Summer School so special. The opportunity to step into unknown territory: a truly rewarding experience!

Your classes take place from Monday to Friday, with plenty of room for social activities in the evenings. Weekends are for relaxing or exploring the Netherlands. This way you learn more about the Netherlands and Dutch culture while you're here! For the more adventurous it's easy to extend your travel to other parts of Europe. Think of London, Paris and Berlin. Or Prague, Ljubljana and Warsaw!

DURING THIS SUMMER SCHOOL YOU WILL:

- Discover the Dutch approach to healthcare, education and sports-related issues.
- Visit local institutions and organizations.
- Experience our interactive teaching style.
- Attend workshops led by inspiring and experienced lecturers.
- Gain insight into related fields of interest.
- Learn about Dutch culture and society.
- Experience an enjoyable and inspiring combination of study and leisure activities.
- Make new friends from all around the world!

You choose one course per week and we will make sure you have an unforgettable stay in Nijmegen and the Netherlands!

6 ECTS CREDITS

Complete our 3 week Summer School, including preparation and assignments, and earn 6 ECTS credits.

PROGRAM

COURSES WEEK 1

16 - 20 June 2025

Education for All; Alternatives in Dutch Education

- Challenges and practices in offering inclusive education to students with special educational needs

Sports Nutrition

- How can nutrition improve sports performance

Empowering Innovation Through Technology

- Exploring the potential of technologies such as technical devices, VR and AI in the broader healthcare domain

COURSES WEEK 2

23 - 27 June 2025

An introduction to Arts Therapies & Psychological Coaching Skills

- Introducing elements of arts therapies and coaching to your discipline

Global Awareness in your Local Context

- Learn about global philosophies and develop intercultural and creative skills to make a positive impact in your local community

Global Citizenship Education

- Opening windows to the world and transforming schools into training grounds for global understanding

COURSES WEEK 3

30 June - 4 July 2025

Creativity in Practice

- How to use creativity to achieve social goals

Challenges in Healthcare: the Dutch Approach

- Gain understanding on current healthcare, social and ethical issues from different cultural perspectives

How to optimize talent Identification

- How to improve talent identification and development programs in professional and semi-professional sports

SOCIAL ACTIVITIES

In addition to an educational program, you will have ample opportunity for social activities and fun in the evenings and on weekends.

Get to know each other, the beautiful surroundings of Nijmegen and the highlights of the Netherlands or other parts of Europe!

COSTS

ALL INCLUSIVE FEE: €1850,-

For students from our partner universities.

This fee includes:

- Accommodation at the Zeven Heuvelen Resort in Groesbeek
- Health and liability insurance for 3 weeks
- Local transportation to and from HAN on weekdays
- Field trips and company visits

ADDITIONAL COSTS

- Travel costs
- Food and drinks (about €150-€200 per week)
- Personal expenses

SCHEDULE

The summer school is a full time program and lasts 3 weeks. We start on Monday 16 June and end on Friday 4 July.

ARRIVAL DAY

Arrival Sunday 15 June after 3pm.

CLASSES

You will have classes Monday to Friday from 9am to 5pm, including at least 1 field trip or cultural excursion per week. On weekends you'll be free to explore Nijmegen, the Netherlands and other parts of Europe.

DEPARTURE DAY

Check out on Saturday 5 July before 10am.

ACCOMMODATION

You will stay at the [Zeven Heuvelen Resort](#) in Groesbeek. Groesbeek is a village just outside Nijmegen with a direct bus connection to HAN campus.

Each accommodation has shared bedrooms with separate beds. You share the living room, bathroom and kitchen. The kitchen is fully equipped so you can prepare your own meals.

The accommodation has free WiFi and bed linen is included. You can use the sports and wellness facilities of the resort and use their washer and dryer for a small fee.

LOCATION

CITY

Nijmegen is the oldest city of the Netherlands with a city center full of important historical locations.

And it's not just a rich cultural history that Nijmegen has to offer. A large number of students, numerous events and festivals, unique hot spots and cozy restaurants all add up to an unprecedented liveliness in our city.

Just put your feet in the sand at our city beach next to the river Waal, or relax at one of the numerous sidewalk cafes.

COUNTRY

HAN University of Applied Sciences is situated in the eastern part of the Netherlands. It's just a few kilometers from the German border, and within easy reach of Amsterdam, London, Paris, Brussels and Berlin. The Netherlands is truly at the heart of Europe!

The east of the country offers a typical Dutch landscape with charming scenery like wide rivers, bridges and dikes.

The Netherlands is known for its cultural diversity and laid-back cosmopolitan lifestyle.

This Summer School is an alluring opportunity for summer study. You will experience interactive learning in small groups of international students. After the lessons, there are opportunities to connect with teachers and students from all over the world. Social activities and trips made me see how beautiful the Netherlands is.

WU CHUN HO / HONG KONG
